We need a vision to see that the excellent Christ, the centrality and universality of God's economy, is the precious and preeminent One in God's move, that as the Son of Man in ascension He has received dominion and a kingdom, and that His coming will terminate human government and bring in the eternal kingdom of God.

The overcomers as the shining stars are a duplication of Christ as the living Star, and they are the messengers of the churches, those who are one with Christ as the Messenger of God and who possess the present Christ as the living and fresh message sent by God to His people.

Christ is everything for God's building, and as the engraved stone with seven eyes, the topstone of grace, He is now transfusing what He is and what He has accomplished into our being so that, by becoming the same as He is in life and nature but not in the Godhead, we may be His reproduction for the building of the temple of God.

In His heavenly ministry Christ was designated to be a kingly High Priest according to the order of Melchizedek to minister Himself as the processed Triune God into us in order to be our daily life supply and enjoyment for our nourishment, refreshment, sustenance, comfort, and strengthening, so that we may be saved to the uttermost for the building up of the church as the temple of God.
